**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I was formerly with AT&T, but they continued to raise prices and provide worse service for phone and internet. There is no need to raise the price of internet and telephone service just to protect incompetent corporations. Local broadband providers are critical for quality service.
